COURSE DESCRIPTION
Entrepreneurship has long been acknowledged as critical to multinational corporations (MNCs). The concept of entrepreneurship in MNCs refers to the development of new opportunities and business models within large global firms, leading to the enhancement of global competitive position and the organizational profitability of MNCs. This course aims to provide an overview of entrepreneurial processes by focusing on the dynamics of how the sequence in which multidimensional actions can be effectively enacted so as to more likely achieve positive outcomes in multinational corporations. Entrepreneurship in established companies has now become very complex. Students will learn to appreciate and build business concepts, people, structures, selling, finance, knowledge and operations capacities that enable the successful business creation processes within the MNCs.
COURSE OBJECTIVES
1. To understand entrepreneurship in MNCs in a process perspective; 2. To understand entrepreneurial opportunities and innovation; 3. To learn how to develop a sustainable business model; 4. To understand the selling skills of starting up a new business venture; 5. To learn how to do financial planning for new entrepreneurial venture; 6. To learn how to start an entrepreneurial journey in MNCs.
PROGRAMME LEARNING OUTCOMES
PLO1: Acquisition and internalization of knowledge of the programme discipline PLO2: Application and integration of knowledge PLO3: Inculcating professionalism and leadership PLO4: Developing global outlook PLO5: Mastering communication skills

COURSE TEACHING AND LEARNING ACTIVITIES			
Course Teaching and Learning Activities		Expected contact hour	Study Load (% of study)
T&L1. Interactive Lecture		30	25%
T&L2. Case analysis		30	25%
T&L3. Group project and presentation		60	50%
Total		120	100%
Assessment Methods	Brief Description (Optional)	Weight	Aligned Course Learning Outcomes
A1. Individual Attendance and Participation		20%	CLO1,2,3,4,5,6
A2. Individual Paper		40%	CLO1,2,3,5
A3. Group Project		40%	CLO1,2,3,6
Total		100%	
STANDARDS FOR ASSESSMENT			
Course Grade Descriptors			
Course Final Grade	Tentative Scores	Grade Descriptors	
A+, A, A-	100-90%	Student has consistently demonstrated an excellent grasp of entrepreneurial concepts as evidenced by original or exceptionally astute analysis and synthesis of student work.	
B+, B, B-	89-80%	Student has demonstrated a substantial grasp of entrepreneurial concepts, as evidenced by above average performance in analysis and synthesis of student work.	
C+, C, C-	79-70%	Student has demonstrated a fair grasp of entrepreneurial concepts, as evidenced by average performance in analysis and synthesis of student work.	
D+, D	69-60%	Student has demonstrated a limited grasp of entrepreneurial concepts, as evidenced by barely satisfactory performance in analysis and synthesis of student work.	

F	<60%	Student has demonstrated a very limited grasp of entrepreneurial concepts, as evidenced by poor performance in analysis and synthesis of student work.

Assessment Rubrics for Each Assessment

A1. Individual Attendance and Participation (20%)

Attendance will be taken for the lectures. The attendance and individual sharing in class will be considered in assigning points for attendance and individual participation.

A+, A, A-	B+, B, B-	C+, C, C-	D+, D	F
Extremely well prepared for class discussion, active in sharing views and attended at least 90% of classes.	Partially prepared for class discussion, quite active in sharing views and attended at least 80% of classes.	Not well prepared for class discussion, limited active in sharing views and attended at least 80% of classes.	Not well prepared for class discussion, no sharing of views and attended at least 70% of classes.	Never prepared for class discussion and no sharing of views, experience, and attend less than 70% of classes.

A2. Individual Paper (40%)

Each student will be required to complete an individual paper. Each student will be required to conduct analyses of a successful entrepreneur and submit a report in assessing his/her secrets of success. The following grading criteria applied:

A+, A, A-	B+, B, B-	C+, C, C-	D+, D	F
Very good to excellent ratings on the marking criteria.	Good to very good ratings on the marking criteria.	Fair to good ratings on some the marking criteria.	Fair ratings on the marking criteria.	Fail to submit the paper.

A3. Group Project (40%)

Students are divided into groups and are required to conduct an entrepreneurial project. Each group makes a 20-minute presentation.. The group project will be evaluated based on the five criteria (i.e., presentation style, content coverage, articulation on critical issues, follow the worksheet guidelines, and quality of interaction at the Q&A session).

A+, A, A-	B+, B, B-	C+, C, C-	D+, D	F
Very good to excellent ratings on some or all the criteria.	Good to very good ratings on some or all the criteria.	Fair to good ratings on some or all the criteria.	Fair ratings on all six criteria.	Fail to prepare and present the project.
